

Domain purchasing on godady

- Open godady
- Search any domain any extension
- Take low price domain for our practice
- Click on add to cart

The screenshot shows the Godaddy domain search interface. At the top, the search bar contains 'devops.xyz' with an 'AI Voice Search' button. Navigation links include RESULTS, HISTORY, FAVORITES, FILTER, and AFTERMARKET. The main result for 'devops.xyz' is displayed with a price of ₹1,28,10,940.17 and a 'Get It' button. A sidebar on the right indicates that 'Devops.net' (same name, different extension) is sold before and offers a 'PREMIUM DOMAIN' for ₹169 for the first year. Below the main result, two other domains are listed: 'devopsedu.xyz' and 'devoperations.xyz', both priced at ₹169 for the first year, with 'add to cart' buttons.

- After Adding the domain click on continue

This screenshot shows the same Godaddy domain search interface as the previous one, but with the 'Continue' button highlighted. The search bar still contains 'devops.xyz'. The sidebar on the right now shows a confirmation message: 'Devops.net' (same name, different extension) sold before.
